Ladies Ministries Presents*

Dare To Dream

Featuring Paula Dunn

*April 28, 2005
7:30 P.M.*

Dear Ladies,

We are honored to have you here tonight as we celebrate the beginning of **Sister ACT** a new women's

ministry program at Mountain View. **Sister ACT** stands for **A**cknowledging **C**hrist **T**ogether. We wanted to answer the need for women to return to a time when their relationships with one another were deeper and their pursuit of Christ was what drew them together. Our meetings will be a monthly "mini-retreat" for women held the last Thursday evening of every month from 7:00-8:30 p.m. Come ready to relax, worship and fellowship with one of the most precious gifts God has given you - your sisters in Christ.

With great anticipation, we have looked forward to tonight's concert as we "Dare to Dream" with Christian musical artist, Paula Dunn. We pray that your hearts will be challenged and inspired as you get to know Paula through her testimony and song. What an exciting opportunity we have to acknowledge Christ together in worship tonight!

That we may know Him,

The Sister ACT Leadership Team

A Story Worth Telling

For the past eighteen years, Paula has utilized music to share God's dramatic work in her life. To look at Paula on the outside, you might think that everything has been easy for her. However, you will soon discover that through the difficulties of her life, she found God's faithfulness.

At the age of fourteen, Paula became the summer musician at Rumney Bible Conference Center in Rumney, NH. It was at this camp where she surrendered her life to Christ, which in turn opened the doors to a concert ministry.

Following graduation from high school and enrollment at Liberty University (Lynchburg, VA), Paula became involved in two exciting groups. She first toured with Light Ministries, a missions team that traveled throughout the United States and overseas to share the Gospel, through music and testimony, with those who have never heard of Christ.

During these years, Paula had the privilege of singing in Brazil, Hong Kong, Romania and Hungary, as well as smuggling Bibles into China. Following three years with Light Ministries, Paula joined a second team, the Sounds of Liberty.

Paula extended her ministries by completing eight albums. Her latest release is "Yesterday, Today and Forever". It was produced by Scott Williamson (Point of Grace, FFH, Sierra).

Currently, Paula travels full time with her husband, Robb, sharing her music and message with churches, ladies' conferences, youth retreats and even corporate events all across America. Their mission statement is three fold: to reach out and encourage those who are hurting, to challenge believers to a deeper walk with God and especially to bring as many people as possible into a personal relationship with Christ. This is their prayer for every concert - a prayer that God is answering each and every weekend.
